CSA Terms of Agreement

I appreciate locally grown produce and want to ensure that it remains available in the Puget Sound area by becoming a shareholder in Dog Mountain Farm CSA. I understand that I am not entitled to substitutions or special requests in my weekly delivery and the farmers, David and Cindy Krepyk, will do their best to provide the produce they propose at the times they estimate. However, as a shareholder in both the bounty and the risk, I understand that nature ultimately decides what I will receive and when I will receive it. I understand there are no refunds, although if I can find a replacement, I may transfer my share to another party. If I am unable to pickup my delivery any week, I may offer it to another party.
